Dragons 2: Flaming Nightmare

Hello! I hope you really enjoy building and playing with my LEGO dragon, Flaming Nightmare!

Here are some helpful tips:

- Collect all of the bricks ahead of time to make building with the video faster and easier.
- When gathering the bricks, color doesn't matter. Never let color limit your creativity! 😊
- Sort your bricks into groups by shape. It is much easier to find the brick you need if each group is a different shape.
- If you don't have the exact part, try to make a replacement part out of smaller pieces (for example: one 1x8 flat can usually be replaced with two 1x4 flats).
- Search for more than one part at a time. That way, you won't need to search through your LEGO bin as many times.

Unleash your creativity and have fun!
